- **MODERATOR'S EMERGENCY RESPONSE FUND**

We have all been shocked by the recent bushfire emergency and many of us are looking for ways to support those whose lives have been upended by this event. While there are numerous ways to assist that some people have already undertaken, it seems that monetary donations which can then be used where they are most needed seem to be particularly effective.

One way in which we can respond is through the Uniting Church's **Moderator's Emergency Response Fund**. The fund has been established in response to the identified need to be able to react quickly to support communities in times of major disasters, such as bushfires, floods, storms or other crises. As always, Uniting Church communities and our Community Support Agencies have been swift to respond. Where support services are available through Uniting, or indeed any other existing services, these agencies will continue to provide that support. The fund will be accessed primarily to support communities within the Synod of Victoria and Tasmania.

There are a couple of ways in which you may wish to contribute to the fund:

1. By providing a direct donation through their website:
<https://victas.uca.org.au/product/moderators-emergency-response-fund/>
2. By providing a donation in the retiring offering that will be available for the next three weeks at our Sunday services. These offerings will be passed on directly to the Moderator's Emergency Response Fund.
